charge should be debited to the Exhibition funds (Govt R 1046 & Apr 201-08 S 2 dt 16 8 1910.) But as the Chief Engineer wrote on the 23rd Nov 1910 that the Comptroller objected to the charge being debited to the Civil budget on the grounds that the Exhn buildings belong to the P.W. Dept and that the outlay amounting (to Rs 262) may therefore be transferred to the P.W. budget as an additional grant, it was directed that the charge be met from Savings in the P.W budget (Govt no R 427 dt 4 & 19.1.11) Apr 1-10-51

The order was passed on the representation of the Ch Engineer and there seems to be no necessity to revise it. As the buildings are under the control of the P.W.D electric installation is rightly charged
